WITH US, YOU ARE IN GOOD HANDS!

Investments under individual policy are held in a segregated policy account. The beauty of establishing segregated arrangement in accordance with the External Insurance Act, 2009 of The Bahamas is that even in the event of DAL's liquidation, clients' assets will still be held separately and safely from any creditors of DAL under the empowered shield. That assures our clients with peace of mind.

秉持信守，安心毋憂

個人保單的投資款項乃存放於獨立分隔的客戶保單帳戶。此安排旨在符合巴哈馬政府《外地保險法案2009》內的要求。萬一DAL面臨清盤，其客戶的資產於該法例的保護下，將與DAL的公司資產完全的獨立分隔。所以DAL的債權人不能對客戶的資產動之分毫。讓您倍感安心。
